Professional Summary

Electronics & Telecommunication Engineering student passionate about Embedded Systems, Programming, and Electronics. Skilled in C, C++, Arduino, and Linux, with a growing focus on Microcontrollers, RTOS, and Embedded Linux through practical projects.

Education

Savitribai Phule Pune University (SPPU)

2026 – Present (Third Year) (CGPA– 9.14)

R.N.C. Arts, J.D.B. Commerce & N.S.C. Science College, Nashik-Road

Higher Secondary (12th) — 62.50%

Shri Bhairavnath High School

10th Standard — 82.50%

Technical Skills

- Programming Languages: C, C++ , Java, Python , Embedded C
- Software Tools: MATLAB/Simulink, Keil, Proteus, STM32 CubeIDE, KiCad, Git, GitHub
- Operating Systems: Linux, Windows
- Embedded & IoT Platforms: Arduino, ESP32, Embedded Linux

Technical Projects

Smart Toll System using Arduino

[\[GitHub\]](#) [2025]

- Developed an **Arduino-based Smart Toll System** to automate vehicle detection, toll calculation, vehicle counting, and gate control using **IR sensors, servo motor, and LCD**.
- Achieved automated vehicle counting and toll processing, reducing manual intervention and improving system efficiency.

Gesture-Controlled Servo using Python

[\[GitHub\]](#) [2025]

- Developed a **gesture-controlled servo system** using Python, OpenCV, and MediaPipe to detect hand movements and control an Arduino-connected servo motor in real time.
- Implemented **real-time hand tracking** using MediaPipe and OpenCV, with **PySerial communication** to control the Arduino servo according to detected hand movements.

Automatic Solar Tracker

[\[GitHub\]](#) [2026]

- Developed an Arduino-based system that automatically adjusts a solar panel toward the direction of maximum sunlight using LDR sensors and a servo motor.
- Implemented real-time LDR-based light intensity comparison and servo motor control for automatic solar panel positioning.

Certifications & Achievements

- C Programming Certification | Score: 95%
- C++ Programming Certification | Score: 95%
- **Adobe University Hackathon** — Hackathon Participant | 2026

Extracurricular Activities

- **Technical Co-Head, ACES Committee** — Led technical initiatives and coordinated student activities. (August 2026)
- **Secretary**, IEEE Student Branch, MET BKC Engineering College (March 2026)
